Bburago

2017

INTRODUCTION

In 1967, two brothers, P.Y. and Y.C. Ngan, established a company known then as May Cheong Plastic Toy Fty. Later, joined by P.Y.'s wife Katherine, the group quickly set out to produce toy products for many important companies throughout the industry. Eleven years after their inception, the company produced its very first die-cast toy and the very first motorized die-cast vehicle in Hong Kong.

In 2017, the May Cheong Group celebrates its 50th Anniversary. With their world-renowned brand Maisto established in 1990, and the Italian-acquired brand Bburago joining the company in 2005, the company would seem destined to be successful in the toy and scale model vehicle world. Never content to rest on its laurels, MCG rebranded its line of Polistil to reflect the latest in 1:43 slot car sets. The company is now setting its sights on the youngest vehicle fan with its brand new BB Junior line, geared towards ages 0-3.

We are certain that way back in the beginning, the thought of selling billions of toy vehicles never occurred to the founders of MCG. Yet here we are, 50 years later, and we are ever so thankful to you, our loyal customers, for giving us the support, inspiration and opportunity to create and produce some of the finest toy vehicles the industry has ever seen. We wish you the greatest success for 2017, and beyond.

MAKE IT YOUR RACE

MAKE IT YOUR RACE

Is a Scripted Reality Show dedicated to the racing world and it is articulated, unless otherwise agreed by the production, in 5 episodes lasting about 45' each, and an summary episode called "best of", 45' long.
The format "Make it your race" tells the story of a group of young people who live in different and distant places, but find themselves united with a common objective, getting involved in their greatest passion: The Scorpion. For some the them dream is for sure to become a professional racer, for others to be a paddock girl of the program or one of the bloggers live–commenting the TV show, and at least having a passion for design, will be able to see their graphic design to run in the racetrack.
