BASIS OF BEARINGS

CITY ENGINEER'S CERTIFICATE

This map conforms with the requirements of the Subdivision Map Act and local ordinance

Dated 5-10-76

(Signed)

Paul H. B. Tong, City
Engineer R.C.E. No. 13052

NOTE 1

The location of the 15' Easement to the Alameda County Water District is not possible due to contradictory terminology in the parcel as described in Reel 2495 O.R. at Image 540, Alameda Co. Records. Said easement appears to be near the general w/ly line of a 50' wide strip of land, the general easterly line of said 50' strip being common to the general easterly line of the portion of Timber St. abandoned and to the general easterly line of above delineated boundary.
