0:04 Heh, I've really done wrong.

0:10 Do you think there is anything that can make up for it? What's done is done. What's dead is dead. I just want to wait until Xiao Chen no longer blames me.

0:28 Heh, forget it. I know he's always hated me. Lee, I now believe there is retribution.

0:46 I've quit. If you want to smoke, go outside.

0:53 I can't expose Xiao Chen to second-hand smoke. I still want to live a few more years. I want to live with Xiao Chen a little longer.

1:15 *He is my heart.*

1:40 Lee, if something is to happen to me, I pass Xiao Luo to you.

1:48 You've also seen Lin Jing, right? He's actually the son of Xiao Chen's enemy. Heh, you and I had never have thought of this.

2:02 I happened to have done some things to him; some you don't even know about.

2:09 Lin Jing now has amnesia. It doesn't mean he'll have amnesia forever.

2:19 Don't be afraid. I won't do anything to him. Moreover, even if he doesn't remember, Xiao Chen remembers. I only care that Xiao Chen will take it too hard.

2:41 Xiao Chen might kill me instead.

2:46 I'm not afraid of this, as long as...he doesn't leave me without a word.

2:56 Although Xiao Chen loves me, he's never protected me.

3:07 Heh, but then, I don't need someone to protect me.
