NAVIDAD.

The word "NAVIDAD." is written in a thick, rounded, hand-drawn font. Each letter is decorated with a different Christmas-themed element: the 'N' has a small round ornament on its top left; the first 'A' has a five-pointed star on its top; the 'V' has a small round ornament on its top left; the 'I' has a bell hanging from its top; the 'D' is plain; the second 'A' has a Santa hat with a pom-pom on its top; and the final 'D' has a small round ornament on its top right. A period follows the last 'D'.
